

FREE Financial Literacy Math Class

2:00 PM - 4:00 PM

Day 1 of 2 Friday December 4th

Day 2 of 2 Friday December 11th

Hosted by Goodwill Industries of Kanawha Valley

Taught by RESA 3

Goodwill Prosperity Center

209 Virginia Street West, Charleston WV

The purpose of this two week class is to explain what makes up financial literacy from both a mathematical and a vocabulary viewpoint. Topics include:

- Everyday financial-related activities such as **Earnings, Banking, Shopping, and Savings.**
- **Borrowing money**, including the details about the costs of taking out **Loans** and using a **Credit Card**.
- Unavoidable expenses such as utility **Bills, Insurance Policies**, and a variety of **Taxes**.
- Budgeting combines the topics from the previous discussions and adds new topics such as **Housing, Transportation, and Relaxation Expenses.**
